Need to move around? Try a ride around Sheffield with The Busker Bus! It runs from 1-9:15 (Saturday) and 1-7:30 (Sunday). Departs from The Hop every 15 minutes. Follow @bandsonthemove for up to date info!

Survival tips:

- If it's sunny, keep hydrated (alcohol doesn't count).
- Stage times do change. Arrive early to venues.
- Try the smaller venues for new bands. You can always find your new fave band!
- A common hangover cure passed by generations of my Mexican ancestors involves the juice of one lime, half a pint of still water, half a pint of sparkling water and a pinch of salt. Mix. Drink in small sips.
- Above all: enjoy the music.
